

# Lab 1 Submission

Dhruva Sambrani

January 28, 2022

## Submission Files

1. **11.html**: The main file to be evaluated. An online version of the same file can be found at <https://dhruvasambrani.github.io/phy412>
2. **submission.pdf**: This document
3. All images are embedded in **11.html** or the website
4. All videos are uploaded to Google Drive and accessible via **11.html** or the website
5. All references are in **11.html**

## Note

1. You may need to refresh the page once after **11.html** is opened in case only a blank page is shown.
2. Website version is recommended as videos sometimes may not play when opened from a file.
